

Congratulation Maj. Trimpey on receiving the Parent Involvement Award for Area IV on the evening of 18 Mar 04 from Dr. Earl J. Lennard, Superintendent of the School District of Hillsborough Co. Schools in each of the seven SDHC areas nominated a person/organization for their area's award; She won out of 11 nominees for Area IV. Judy LoBalbo, Career Specialist at Ferrell Middle School, nominated her for her work with the Ferrell Middle School Cadet Squadron. The awards ceremony was at the St. Pete Times Forum (formerly the Ice Palace) in downtown Tampa.

Civil Air Patrol and Ferrell Middle School, including its cadet squadron, both received great publicity from this - especially when these awards were listed in the Northwest Section of the Tampa Tribune. The folks at Ferrell were especially excited because this was the first time one of their nominees for a volunteer award of any kind won it. They congratulated her when she visited their school the day of the awards ceremony.
